Notes:

1. Occasionally, admissions, discharges or other patient movements are entered after the midnight snapshot report has been created. Therefore, this data may not reflect all patient movements or current bed availability. It is recommended that any interested person, Board or provider contact the respective hospital directly to confirm bed availability for board-specific or forensic status beds.
2. The midnight census report is produced Monday through Friday.
3. Effective August 9 NBH's bed capacity changed to 258 beds with the opening of units E2, E3 and the closing of building 22.
4. Due to physician shortages at Heartland, HBH's operational bed capacity can fluctuate daily. For the current status, please contact Heartland directly.
5. Starting 12/5/2016 the Census report is comprised of two data source PCS & Avatar.
